Message

Vigilance Awareness Week (27th October to 2nd November 2020)

The Central Vigilance Commission (CVC) observes the Vigilance Awareness Week to emphasize the importance of integrity in public life. "Satark Bharat, Samriddh Bharat" (Vigilant India, Prosperous India) has been chosen as the theme this year.

CVC through its message dated 08.10.2020 (copy enclosed) has emphasized that all organisations may focus on improvement of internal processes and activities during this year and systematic improvement may be carried out to improve the delivery of public services in all organisations.

EPFO plays a critical role in the delivery of public services in the area of Social Security. The unprecedented crisis due to pandemic situation has again underlined the importance of social security for the public and the role played by EPFO in such times has been appreciated by all. Thus, it is more imperative that EPFO must strive to improve further the delivery of its public services.

The CVC message is being hereby endorsed to all the officers/officials/staff of EPFO with appeal to actively work towards promotion of integrity in all aspects of life for the progress of vision and mission of EPFO.

MESSAGE

Vigilance Awareness Week (27th October to 2nd November 2020)

The Commission observes the Vigilance Awareness Week to emphasize the importance of integrity in public life. We are fully committed to implement the policy of "Zero Tolerance against Corruption".

"सतर्क भारत, समृद्ध भारत - Satark Bharat, Samridh Bharat (Vigilant India, Prosperous India)" has been chosen as the theme this year. Development and progress of the nation takes place when individuals and organisations are vigilant in safeguarding integrity as a core value.

The Commission believes that citizens and organisations must look inwards at a time when the world is facing an unprecedented crisis. All organisations may focus on improvement of internal processes and activities during this year. Systemic improvements may be carried out to improve the delivery of public services in all organisations. Training and capacity building of staff is an important component supporting this objective. We have been encouraging organisations to implement these initiatives.

The Commission appeals to all citizens to actively work towards promotion of integrity in all aspects of life for the progress of the country.
